**R e s o l u t i o n**

1. We emphasize that it is infringement of sovereignty and violence of good neighboring relationships, to organize unilaterally general and local elections in another European state;
2. We conclude that Assembly of Republic of Kosovo shall not permit holding the election of Serbia in Kosovo and shall oblige the Government of Republic of Kosovo to execute this decision.

3. Assembly of Republic of Kosovo and Government of Republic of Kosovo, unanimously emphasize that citizens of Republic of Kosovo are united against holding of any election process which would mine state sovereignty of Kosovo, would violate its territorial integrity and consequently would mine interethnic process of conciliation in Kosovo;
4. Assembly of Republic of Kosovo confirms that all political parties, either those of position or opposition, will work together in compliance with European principles, International Law and Constitution of Republic of Kosovo.
